From the President

"If you aren't having fun, it's your own dang fault".

Well, summer is coming early with all this heat so next couple months we are working on some indoor events like bowling, movies and etc. so that will be fun activities to beat the heat. I will be looking into rescheduling the casino run to later date and not on a holiday weekend as they are way too busy I found out. Big thanks to Bob and Marlene Zwilling for hosting the May SHCC Night Out at BJ's Restaurant, we had an amazing 36 attendees. I'm hosting June 14th night out so lets keep it going strong. Also big thanks to Mark and Cheryl Kelly for hosting brunch and piloting the plane rides above Conroe. Not to leave out Charlie and Lois Laine for putting together the Skeeters Baseball night, great job guys; even though my car broke down after the game several people helped me get it up to Dave's place and we fixed it the next day. Thanks to all you guys.

The major event of June is the club's 25th Anniversary Celebration Picnic at Spring Creek Park in Tomball on the 16th. Plans are made to make it an awesome time with a group photo of all the cars and owners and a day filled with games and challenges that at the end will result in a club champion. This picnic happens every 5 years and we would like everyone to participate; you get a free t-shirt and lunch too!

Watch for the weekly email updates for more information on events and checkout the facebook group page we have at [SHCC Members Only](#).

I want to share a behind the scene story about our Sunday Brunch and fly we had at the Black Walnut located at the Conroe Airport.

As you may or may not know that Mark Kelly had reserved as airplane for rental for that Sunday to take us up and circle the airport and any money raised is going to our charity this year, Children's Safe Harbor in Conroe, Texas. Well on Saturday Mark received a call that the plane he reserved had broken down and would not be available for our charity fly. Needless to say Mark was not a happy pilot and I'm sure communicated that appropriately. Well there happen to be a lady hearing this conversation and it's cause then asked the rental service person to call Mark back and ask if he could fly a certain type of plane which she did. Mark confirmed he could and he has 29,000 hours and retired commercial pilot. Here's the neat part the lady told Mark we could use their personal plane NO CHARGE just replace the fuel! They didn't even know each other and never met! Mark then asked to talk with the husband and he called him and he said yes it was true we could use the plane. Mark was blown away by this a many of us who learned of this also are amazed. On Sunday morning Mark met with Victor early and they done a short fly together to feel good about this offering. All of this because of raising money for a charity. Victor met us also that morning and said anytime we need to use a plane to raise money his plane is available no charge! Here is another awesome tidbit; He sold his 2015 Z06 to be able to fund getting his pilot's license and buy the plane. IS THIS AWESOME OR WHAT!!!!

Mark and his event raised \$400.00 for the charity and we plan to do it again in the fall when it is cool outside.

Also, this is the Spring Campaign fundraising letter from the NCM that we have been asked to share:

Dear Friend,

We are excited about spring, our upcoming event season and plans for a lot of new things for the National Corvette Museum!

Many of our supporters helped us financially in 2017, and we were successful in purchasing and installing a new Corvette Racing Simulator. The simulator sits on Corvette Boulevard and is being enjoyed by guests of all ages. It is so much fun to watch the faces of those sitting behind the wheel of a Corvette for the first time. Just last week we had a family with a

disabled member who will probably never drive a real car. At the Museum they could enjoy the feel of driving a Corvette. What fun they had!

Plans are being made for more upgrades and enhancements to the Museum. The photo at the top of this letter is a rendering of our remodel plans for the Gateway entrance(pictured) and Admissions areas of the Museum. This remodel is scheduled to begin in the fall so that we have a whole new look when guests roll in for the 2019 Caravan and 25th Anniversary Celebration.

Do you have plans to make charitable gifts this year? Will you please consider a gift to the National Corvette Museum that supports this year's remodel? The National Corvette Museum is a 501(c)(3) organization qualified to accept tax deductible donations as allowed by law.

NCM friend and Corvette Designer Kirk Bennion has donated his time and talents to provide a Corvette design for us to use on our spring commemorative gifts. Supporters making a \$200 gift before July 15, 2018 will receive a 3D magnet depicting Kirk's design. Supporters making a gift of \$500 or more before July 15 will receive a Tervis tumbler and 3D magnet. Donations may be made online at: corvettemuseum.org/support/give-now or by calling me at 270-467-8815. Thank you for supporting the National Corvette Museum!

Maybe you are new to the Corvette world, or maybe you do not know of the 2019 Caravan, so what is the 2019 Caravan? It is a gathering of Corvette enthusiasts from around the U nited States, Canada and several other countries. Caravans will form from locations close to your home for a great road trip to Bowling Green, Kentucky. Your Southern Texas Caravan is led by Rick Creekmore from the Texas Corvette Association and includes clubs from San Antonio, Houston, Beaumont, Corpus Christi and the Valley. We anticipate 170 Corvettes travelling together in this caravan. Rick and his team have exciting events planned along the way!

Two caravans, one near San Antonio lead by Rick and the other near Houston, lead by Suzanne Ansley from the San Jacinto Corvette Club, will leave Tuesday morning August 27, 2019 and travel to Little Rock Arkansas to stay the night. There are 170 rooms booked for both caravans at Four Points by Sheraton near I-630 in Little Rock.

Both caravans will then travel together to Bowling Green on August 28th. Over the next four days (28th Aug to 1st Sept) you will have the opportunity to visit the museum, go on daily driving tours to caves, distilleries, and other things the Museum has planned. There will also be tours available at the Corvette assembly plant right across the street as well as hot laps and touring laps on the NCM Motorsports Park Raceway.

We have 170 rooms booked near the Museum. Three hotels are located in Glasgow, KY and one in Lucas, KY both approx. 30 miles or 40 minutes, from the NCM. Please visit the Southern Texas Caravan web site for complete details: <http://www.corvettecaravan.com/southern-texas/>
